The floor can be a blank canvas for engaging and creative pieces of art and craftsmanship. Motifs and textures created by hand, vintage patterns worn by time and honest materials refined by skilled artisans are translated into tactile and fascinating carpet designs. Enjoy beautiful compositions that have

been drawn, sketched or painted, or the touch of woven fabrics, delicate laces and soft knit work. The Arts & Crafts collection is an interpretation of the original and handmade designs with perfect imperfections that inspire and delight us.

**Our design team assists recolouring
your selected designs**

**ALL THE DESIGNS CAN BE RECOLOURED TO MEET
YOUR PREFERENCES AND REQUIREMENTS**

Our in-house team of experienced designers has carefully selected patterns and colours to provide you with lots of options, ideas and inspiration for your next carpet project.

Thanks to our advanced production technology, it is easy and quick to recolour a standard design at no extra charge. Pick any design and select your colours from one of our standard colour palettes. Our design team is always on hand to assist and visualise the design in your colour selection. Learn more about how to recolour from page 86.

The Arts & Crafts designs are part of the Highline Express collections offering hundreds of standard designs. These can be recoloured and produced in one of nine different qualities to match your budget and demands for wear-resistance, acoustics, comfort, insulation and fire resistance.
