Travel the world and explore ethnic works of art inspired by spiritual symbols, religious rituals, tribal traditions and fascinating folk tales. Rhythmic, repetitive patterns originate from authentic, traditional handmade crafts and proud, national costumes,

such as kimonos, saris and kaftans.

The love and symbolism of colours characterise the Cultures collection offering a beautiful range of vibrant, rich and expressive designs for your next carpet project.

**Our design team assists recolouring
your selected designs**

**ALL THE DESIGNS CAN BE RECOLOURED TO MEET
YOUR PREFERENCES AND REQUIREMENTS**

Our in-house team of experienced designers has carefully selected patterns and colours to provide you with lots of options, ideas and inspiration for your next carpet project.

Thanks to our advanced production technology, it is easy and quick to recolour a standard design at no extra charge. Pick any design and select your colours from one of our standard colour palettes. Our design team is always on hand to assist and visualise the design in your colour selection. Learn more about how to recolour from page 78.

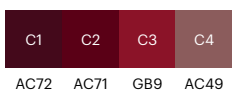

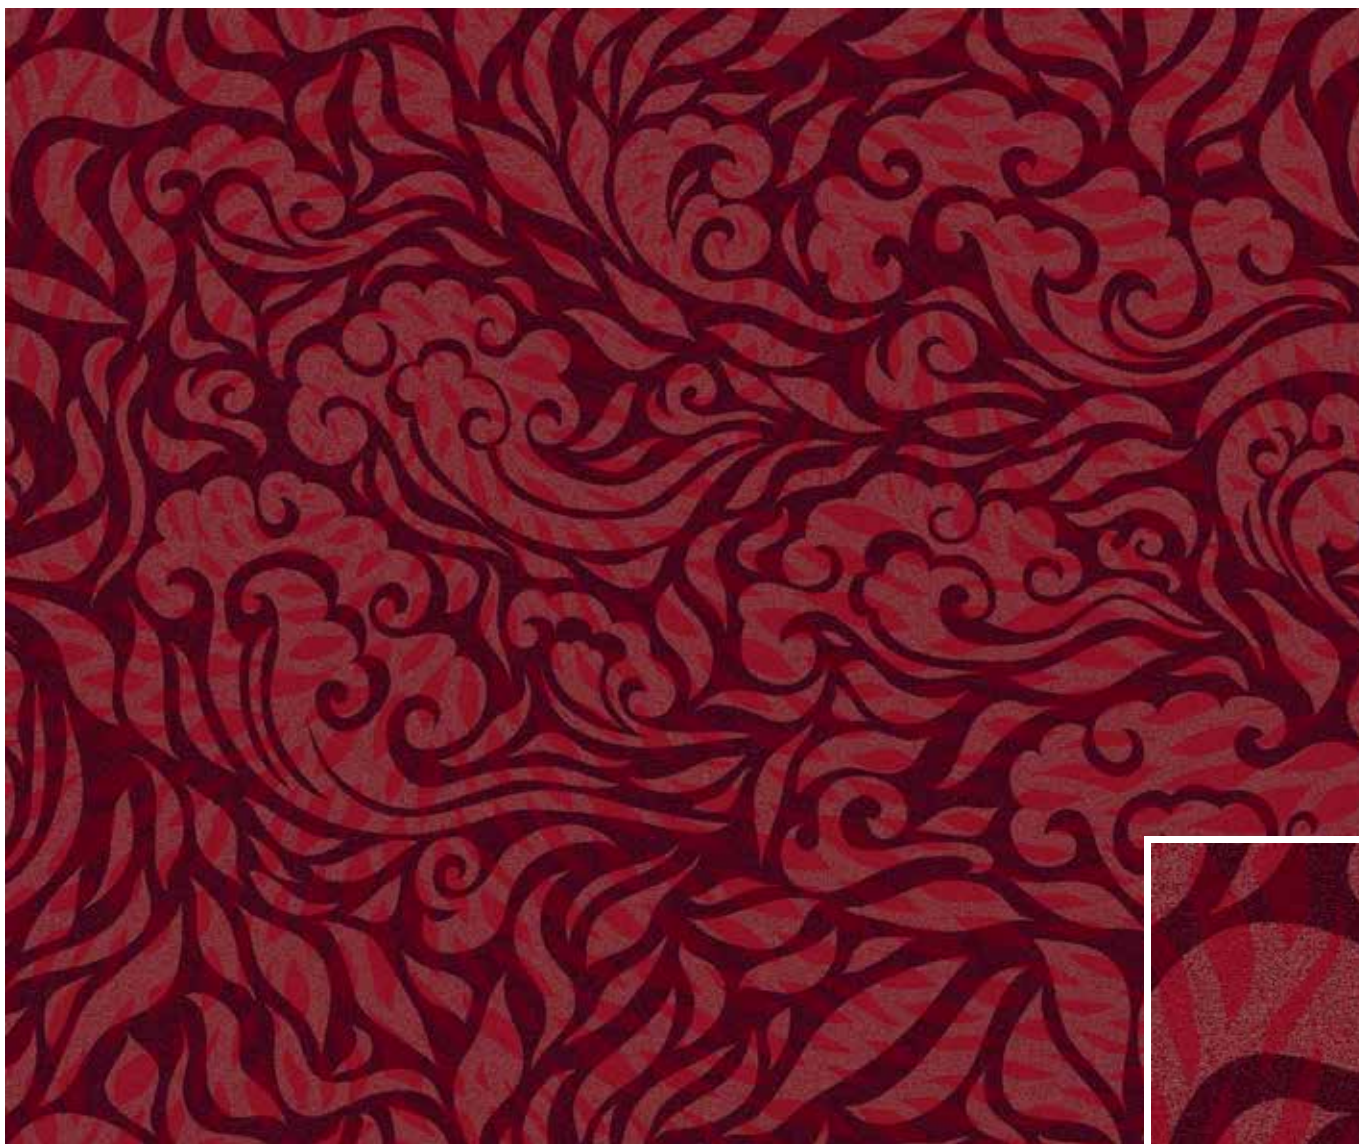

The Cultures designs are part of the Highline Express collections offering hundreds of standard designs. These can be recoloured and produced in one of nine different qualities to match your budget and demands for wear-resistance, acoustics, comfort, insulation and fire resistance.
