

# Certificate

## Indoor Air Comfort Gold

Group 3

*Certified Product*

Ege Carpets A/S

Industrivej Nord 25, 7400 Herning, Denmark

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |  |  |
|--------------------------|----------------------------|--|--|
| - Belgian VOC regulation | - LEED (ACP)               | - Blue Angel DE-UZ 128                           | - Nordic Swan  |
| - France VOC class A+    | - BREEAM New Construction  | - GUT  | - Eco Product Norway                                 |
